LiveWell experience in Delhi NCR.

Helping you LiveWell and WorkWell.

Our philosophies of LiveWell and WorkWell, in our residential and commercial experiences respectively, are designed to improve our residents' well-being through our nine key pillars.

Senior living managed by

Expert Senior Care, *Apno Jaisi*

Estate 360's purposeful approach to intergenerational community living lends special attention to the well-being of all age groups.

Antara, a pioneer in the field and the only integrated senior care ecosystem in India, will manage dedicated senior living residences and spaces at Estate 360. With a commitment to nurture thriving communities where each member feels valued, healthy, and enriched, Antara offers residential living experiences, assisted care solutions and products to manage chronic health conditions through its various verticals:

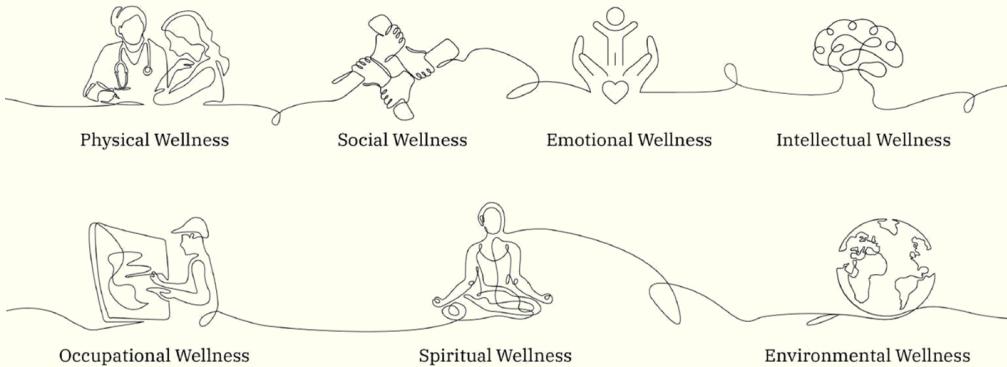

Antara Dehradun

Antara Noida

At Antara, we aspire to be the most loved and trusted brand for seniors and their families, by helping seniors improve and enrich their quality of life.

The Antara Way of Life, manifests through our seven wellness pillars, promotes active aging and holistic care to enhance senior well-being.

Intentional *intergenerational* living

Indian culture has always been rooted in certain values – *togetherness, belonging* and learning from our *elders*.

With time has come the need to balance these values with the evolving needs of families – *privacy, individuality* and the importance of *personal space*.

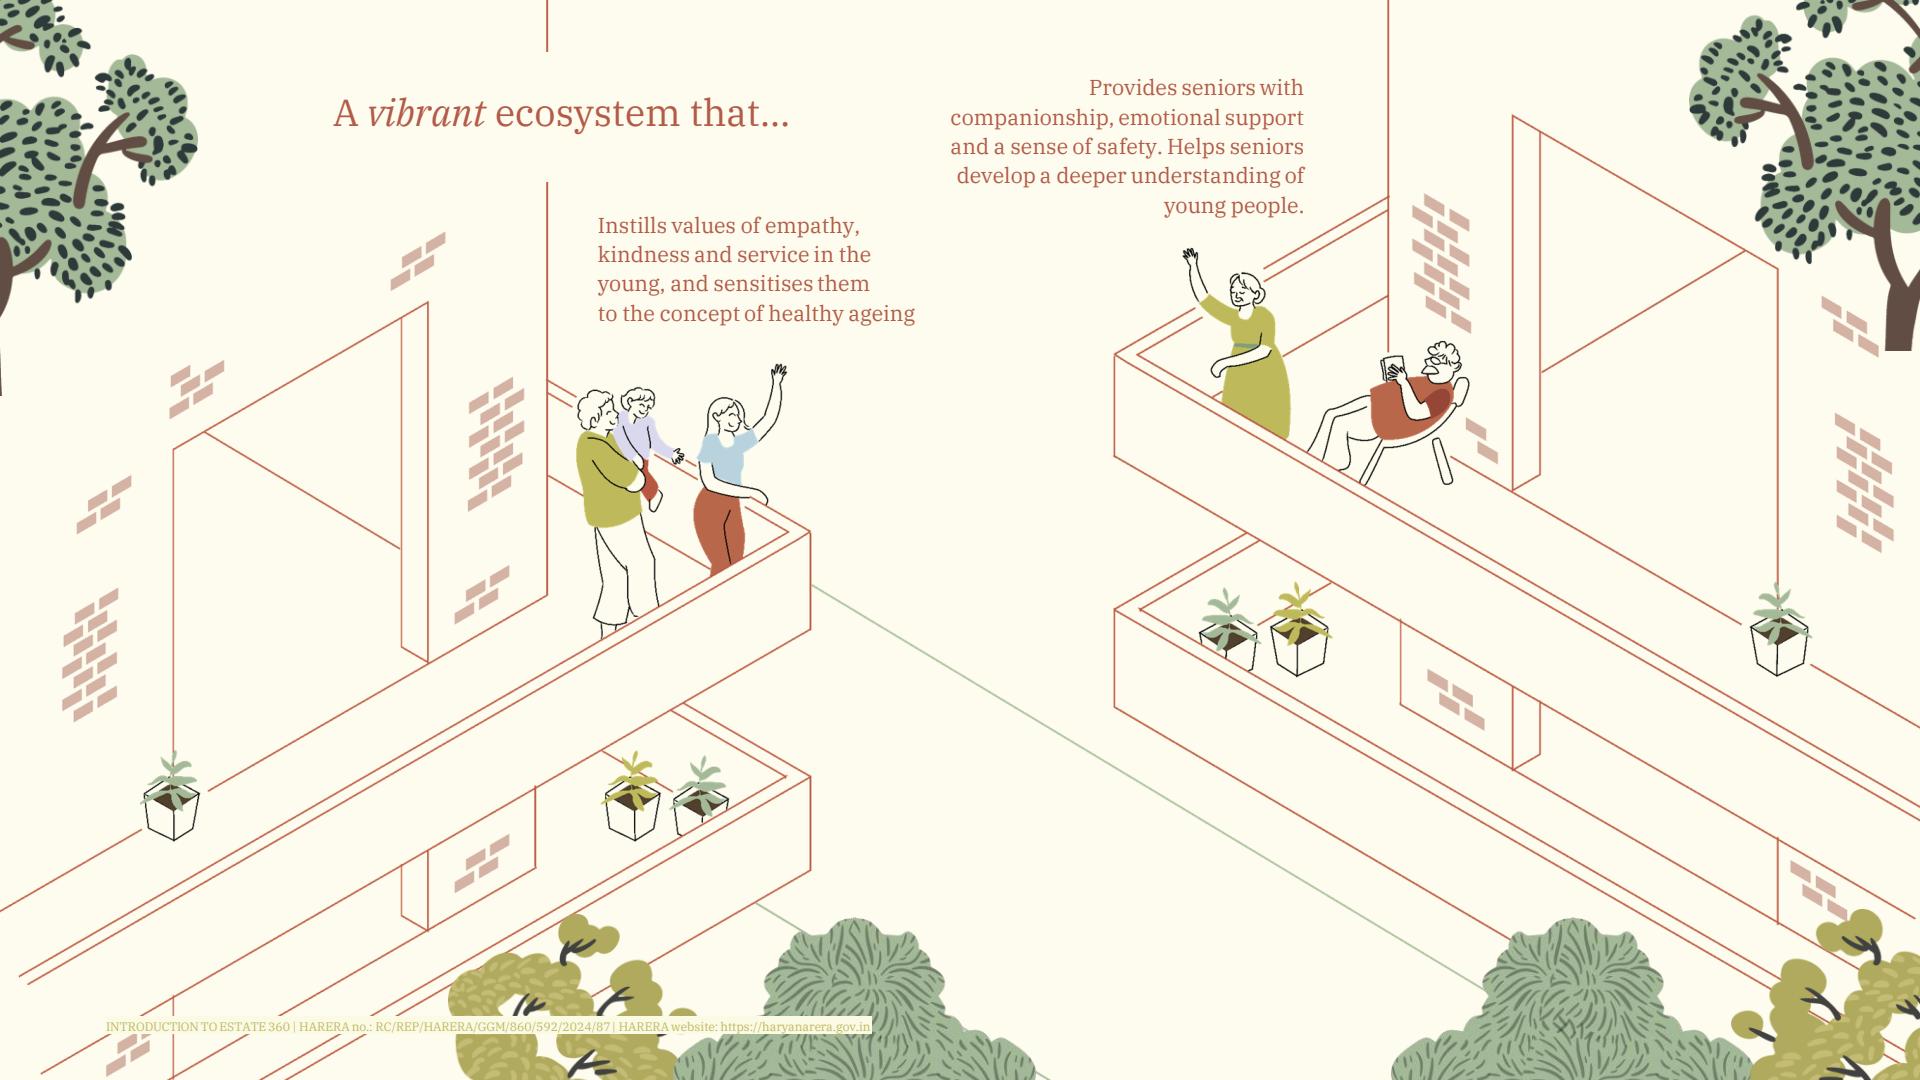

Embracing *tradition* to offer a unique approach to intergenerational community living, Estate 360 honours the needs of *adults, families with children, and seniors*.

A vibrant ecosystem that...

Instills values of empathy, kindness and service in the young, and sensitises them to the concept of healthy ageing

Provides seniors with companionship, emotional support and a sense of safety. Helps seniors develop a deeper understanding of young people.

A vibrant ecosystem that...

Improves children's language development, reading and social skills through interaction with older people

(James Tapper, 2019)*

Facilitates better physical health and a higher degree of satisfaction in life through increased social contact
